HARTLAND DE M. MOLSON, O.B.E. (B.C.S. 1918-21, 1923-24)
APPOINTED GOVERNOR OF MCGILL UNIVERSITY.

(From the Montreal Daily Star)

Mr. Molson, son of the late Lieut.-Col. Herbert Molson, a former distinguished governor of the university is a veteran of the Battle of Britain in the hectic days of September, 1940, when the might of the German air arm was breaking over London.

He was one of a few Canadians to serve in the Royal Air Force in the early days of the war and is of that company of men of whom Winston Churchill paid

eloquent tribute. He was shot down in this fight, being wounded in the leg.

Although invalided home, he carried on throughout the war and eventually became commanding officer of the R.C.A.F. station at St. Hubert, holding the rank of Wing Commander. In addition to war experience, he has had business training as a chartered accountant. He is a director of several companies.

HOW THEY CAME DOWN TO B.C.S. IN 1836

[This fragment was found on the back of a newspaper clipping of 1836. Since some of the boys at the school started in Lennoxville just at that time by Dr. Doolittle came from Quebec, it should give an idea of the sort of journey they had to make to get to school. This route, by road or boat to Nicolet and by road along the St. Francis, was the main one from Quebec to Sherbrooke in those days.]

"... the British American Land Company's new establishment at Port St. Francis, in the parish of Nicolet, we put our *sac de voyage* in the Canadian steamer, which at 5 p.m. left the wharf on her upward trip and at 3 o'clock on the following morning had reached our point of disembarkation. Proceeding immediately to the small, but comfortable Hotel kept by Mr. Jones, we found that the stage, which starts daily and goes through Sherbrooke in one day, was ready but delayed its departure until the arrival of the steam-boat from Montreal, so as to give passengers from both cities going to Sherbrooke, the opportunity of proceeding on their journey without any needless detention at Port St. Francis. The steamer from above did not come in 'till 6 o'clock, on the morning we speak of, and her arrival proved a blank, so far as stage passengers were concerned; the driver then brought his carriage to the door, a covered stage with a pair of smart nags, and whisked myself and one companion, at

a brisk pace to La Baie, distant 12 miles, where the stage changes horses and the passengers stop to breakfast. As we make these notes for the use of those who may also wish to visit the townships, we must state that the Inn at this place boasts of no first rate accommodation, and those who have delicate appetites, or are in any way fastidious about "creature comforts", will do well to carry with them a loaf of good bread from Port St. Francis, rather than trust to that which is manufactured at St. Antoine in La Baie du Febvre. We will here go a little ahead in our journey, and observe that for Canada, the stage travels at a fair rate, for having left Port St. Francis at 6 o'clock in the morning, we reached Sherbrooke, a distance of 87 miles, shortly after nine in the evening of the same day, so that in twenty-eight hours from the time of our leaving Quebec we were in the Inn at this lately most inaccessible spot, without much fatigue or any extraordinary exertion. The only precaution for travellers to take is to leave Quebec when the steam-boat starts at or before 5 o'clock in the afternoon. They will then be nearly certain of reaching St. Francis in time for the stage of the following morning. We may here add that the fair (sic) to Sherbrooke is 26 s., and the traveller is allowed to carry a fair quantity of baggage."

THE SPIRIT-RULER

O Spirit of the world, thou hast not failed
To touch these walls thick-ivied by the years;
As each new Autumn newer deeds has hailed
The vision of a better world appears.

The voice of life, which tries in vain to tell
The goodness and the kindness of thy ways,
Is but a captive in a darkened cell,
While out in endless space description stays.

These glimpses of thy glory come not oft;
Like dreams of higher things above the mind,
They steal upon the consciousness so soft,
Then flee away, their message left unsigned.

Our unromantic logic well explains
The reason for such sentimental moods;
But in, far in, unknown a spirit reigns
Who knows each mind, each thought on which one broods.

My judgment comes on joy when it's apexed,
And yet with all when powers are at their peaks
Fires down misfortunes, one upon the next
And cares no whit for havoc which it wreaks.

Spirit of the world ascribed to you
This honoured throne which mortals seek to find;
Wished thou but willed it that we also knew
This knowledge gained by nature's brilliant mind.

*If we must part, let this our parting be
Peaceful as break the clouds in sunny skies
And let it be, before all mortal eyes,
As smooth as part the swells upon the sea.*

*And tho' our hearts are bruised, we are the fitter.
Thus may we learn to harbour with content
A bright and dear remembrance. Happy thought,
That memory may sweeten, not embitter.*

D. SHELLEY NICHOLL (V-A) (now LAC)

We, in common with so many others, heard with deep sorrow the tragic circumstances surrounding the presumed death of Dr. A. H. McGreer, Principal of the University and Director of the School. We sympathize profoundly with his family and the University in their irreparable loss.

Having known and esteemed Dr. McGreer since his coming to Lennoxville in 1922 we can, unhesitatingly, pay tribute to the admirable constructive work that he has accomplished in so many different spheres, deftly weaving all, with his wide experience into a masterwork. From outward and inward viewpoints the University presents now a most decisive stride forward, due to his understandingly creative genius and co-operative appreciation of everybody and everything connected with the University and its history, of which he forms an integral part.

Dr. McGreer had many windows to his mind and was equally at home, pleasant and entertaining on the sports-field or discussing an obscure point of logic, climbing a mountain or by a lilypond or on the back of a horse, at the post of duty or on the 'village green', on a transatlantic steamer or in the reception room.

He showed a very comprehensive human understanding and insight in discussing the problems of the average student and the outstanding genius; he had the pleasing faculty of being completely at ease with people, whether of his own race or from the utmost bounds of Empire. Statesmen, diplomats, artists, writers, singers and musicians were hospitably entertained at his model hearth, and nature lovers in his beautiful garden. Such a man sets something in motion the effect of which is incalculable—and a benison.

We salute General A. G. L. McNaughton (B.C.S. 1900-05) head of Canada's permanent delegation to the United Nations in New York.

Our congratulations to H. de M. Molson, O.B.E., who has been appointed a member of the Board of Governors of McGill University. Also to Mr. C. L. Bryson, of the School Staff, who has been awarded the O.B.E. in the King's Birthday Honours list.

At the beginning of the School year we very warmly welcomed back a former head prefect, Bill Price, now Mr. Price on the Staff, and heartily congratulate the Football Team, unbeaten and untied.

Again we congratulate R. C. Setlakwe, President of the Debating Society, 1946, who was again chosen to represent his University against Laval University, this time debating in French.

WONDER!

I saw a Pear tree once in spring
And.....

*Sparkling white, intense, refulgent, petals radiating Light;
Massing castled sprays, effulgent with some unseen secret might,
Awake to glory every passion, rejuvenation's wondrous sight;
Every sense is new-created, every feeling cleansed by Light.*

*All ignoble thoughts are vanquished; envy, hate and fear are dead,
And the re-created being in wonder lifts its head
To the myriad buds and blossoms, snow-white and of vermeil hue,
And above, about, beyond them, to the deep translucent blue.*

*With the petals flashing goodness, interchanging with the sun,
I drink from untainted sources, and a deeper life's begun;
Every mean thought and unholy is extinct at this High Noon,
In the glory of the wonder while my reeling senses swoon.*

*And every dream of boyhood has sacred sources here;
Each precious thing I treasured, I see more real appear.
Lo! 'mid the blossoms' splendour I see a flowering rod;
It hurts. I bow submissive: it points in love to God.*

*And now I see in wonder where Beauty had its birth!
Beauty untranslatable, God's shadow on the earth!
While from my heart to petals, from petals to the sun,
The glorious Light streams, telling of battles fought and won.*

* * * * *

Hallo! my box dropped on the ground!
And paints and brushes lie around.
Is Beauty any real thing?
I see a Pear, in bloom, in spring.

But, Ichabod! the Light that shone,
The dream of loveliness is gone!
When Time has faded everything
I'll see that Pear, in bloom, in spring.

"R. L."

Choir Notes

By the end of the Carol Service on Dec. 14, we shall have sung 48 different hymns, Psalms 8, 15, 19, 23, 24, 46, 98, and five Communion Offices, besides two anthems—"Rejoice, the Lord is King" and "O King and Desire of all Nations."

Many of us enjoyed very much the wonderful singing in Westminster Abbey on the occasion of the Royal Wedding.

Our thanks are due to Mr. G. Whalley who so kindly assisted us by playing the organ on Sunday, October 25th.

Wilson Patterson, Michael McCulloch, John Chapman and Garvin Findlay sang solos beautifully on Oct. 19th, Nov. 16th, Nov. 30th and Dec. 14th respectively. Of the 10 basses, 7 are quite new to this part, which is not particularly strong at present, but is improving.

There are 5 new tenors, not all of whom are singing tenor all the time.

The new altos—3 of them—appear to be valuable additions to this important part.

The trebles have 10 new boys, all of whom are trying to be self-supporting. At present they are not leaders, but it is hoped they will soon be able to sustain their part without assistance.

At the time of writing, many choir boys are clearing their throats for the annual Carol Service, in which approximately 21 boys assist in preserving the School custom of singing solos on this occasion.

We were glad to hear of the appointment of Dr. A. H. Egerton as organist and choirmaster at Christ Church Cathedral, Montreal. We remember with gratitude and pride his playing of the organ in St. Mark's Chapel at the Thanksgiving Service, 1936, and again at Christ Church in the morning and Trinity Memorial Church in the evening when we were invited to sing the services there on the 1st Sunday after Trinity in 1937. We remember also his son, Graham, who was the leader of our bass part at that time, and later gained fame in the R.A.F. in England.

THE CAROL SERVICE

The annual Carol Service, on Sunday evening December

14th in St. Mark's Chapel, was attended by the whole school and a large number of visitors, both local and out-of-town.

It was very impressive,—the choir, the soloists, the narrators and the congregation each contributing to the wonderful story of the birth of our Saviour, in song, narrative and prayer. The beauty of the service was enhanced when the lights in the chapel were turned off and the Advent-Christmastide devotions were made by the chaplain before the artistically arranged lighted candles. Few will forget this lovely scene and the accompanying solemnity.

For the purpose of record, the names of the soloists, in order of the verses sung, are here given.

See amid the winter's snow:

Ross I, Molson, Ballantyne II, Ballantyne I, Lawrence I, Lawrence II.

O little town of Bethlehem:

Patterson, Jekill II, Findlay.

Unto us a boy is a born:

Berlyn, Cantlie, Bryson I, Evans.

Hark, what mean these holy voices:

Pattison, Collier, Whitehead I, Cresswell I, Bird.

We Three Kings:

Almond, McCulloch I, Ross I.

Good King Wenceslas:

The King—Abbott, The Boy—McCulloch II.

Old Choir Boys will recollect, no doubt, the parts they took in the Carol Services of their time. They will be able to relate with just pride, tempered of course with appropriate modesty, the deep impression they created by their quality of tone, whether mellifluous or raucous; by their phrasing, flawless or foolish; by their expression, perfect or painful; and by their delivery and manner, bravely confident or definitely shaky. They will also be delighted to know the participants mentioned above did extremely well.

We were glad to see at least two soloists of former years present: Bob Stairs and Johnny Robinson.

School Notes

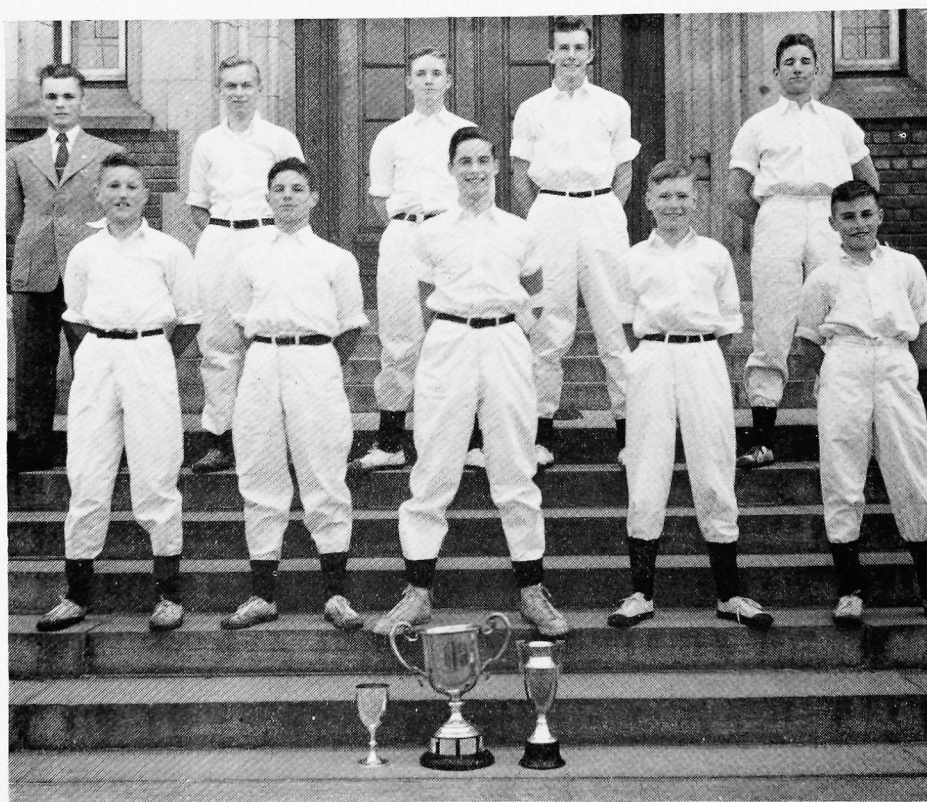

We welcome to the School C. L. Bryson, Esq. Educated at Dulwich and Corpus Christi College, Oxford, he represented Oxford University 1930, 1931 in Track ($\frac{1}{2}$ mile, $\frac{1}{4}$ mile), and graduated in 1932 B.A. (Honour Classical Moderations and Lit. Hum.)

He was appointed to the Indian Civil Service in 1932. From 1933 to 1947 he served in Bihar, New

Delhi and Orissa, India, retiring as District Officer and Agent to the Governor of Orissa in Ganjam.

In 1932 he married Miss Jane Howard eldest daughter of the late Hon. Mr. Justice E. E. Howard, Court of King's Bench, Prov. of Quebec. They have 3 sons, 2 of whom are in the Prep.

We very sincerely hope that they will enjoy their association with the School.

The Discussion Groups

After a lapse of a year, the headmaster again arranged a most interesting and profitable series of discussions for the boys of the Upper School, held each day in the informal setting of the Châlet. An air of genuine interest prevailed throughout every discussion, and yet the atmosphere was neither stuffy nor strict; the speakers set their audience completely at ease, and thereby obtained the best attention. I think this was one of the few occasions in the school's history that such a distinguished group of men have appeared consecutively before an assembly of senior boys, and been so beneficial.

After the week of examinations, which are held at the end of the tenth week of teaching, the following week is given over to Discussion Groups and a revision of the examination papers. This year's Senior Discussion Groups were as follows:

- MONDAY, DEC. 1ST
- 9.15 The Navy and Royal Roads
Cdr. C. H. Little, R.C.N.
- 11.00 The Army and R.M.C.
Col. R. Moncel, Director of Military Training, C.A.
- 4.15 Journalism
John Bassett, Jr., Editor, Sherbrooke Record.
- TUESDAY, DEC. 2ND
- 9.15 The Diplomatic Service.
T. W. L. Macdermot, Director of Personnel, Department of External Affairs.
- 11.00 The Engineering Profession.
Leon Duchastel, Chairman, Student Guidance Committee, Engineering Institute of Canada.
- 4.15 Insurance
Frank Robinson, Mutual Life of Canada.
- WEDNESDAY, DEC. 3RD
- 9.15 Law
C. T. Ballantyne, K.C.
- 11.00 The Mysteries of Matriculation.
Dr. Gordon Ross, Assistant Registrar, McGill University.

On Monday, December 1st, Cdr. C. H. Little R.C.N.R., opened the discussions with a talk on the Services and the Joint Services Cadet Colleges, which is the present name for both Royal Roads and the Royal Military College at Kingston. Cdr. Little is an Old Boy of Upper Canada, where he made all the senior teams, and played particularly fine hockey. He became a Rhodes Scholar, was consequently captain of the Oxford hockey team, and later also played for England. That afternoon, John Bassett, Jr., Editor of the Sherbrooke Record, spoke on the aspects of the newspaper business and journalism. A former B.C.S. boy, Major Bassett received his early start with the Toronto Globe and

Mail, after travelling widely in Europe, and the views he offered on his subject were valuable.

Tuesday morning, Mr. T. W. L. Macdermot, Director of Personnel, Department of External Affairs, explained the intricacies of the Diplomatic Service, described the life of a Foreign Service Officer, and listed the necessary qualifications. Mr. Macdermot was formerly headmaster of Upper Canada College. Following after, the Engineering Profession was greatly clarified by Mr. Leon Duchastel, Chairman, Student Guidance Committee, Engineering Institute of Canada. The day's discussions were concluded by Mr. Frank Robinson, Mutual Life of Canada, who, with the help of Mr. A. L. McCulloch, briefly traced the history of the insurance business, and explained its financial system.

The two final Discussion Groups met Wednesday morning, when Mr. B. N. Holtham K.C., a graduate of McGill in Arts and Law, and one of Sherbrooke's busiest lawyers, talked on Law, devoting the majority of his time to answering a great number of questions. Dr. Bruce Ross, Assistant Registrar, McGill University, very kindly consented to speak, not only to the masters, but also to the boys, on the subject of the Mysteries of Matriculation.

The efforts of both the speakers and Mr. Grier were well recompensed, I am sure, and we are all extremely grateful.

THE SCEPTRE

Behold the majesty of heaven appears
As star and comet light the darkened dome;
The ways of light look down upon the years,
And strangers find a rest in nature's home.

The sparkling band above your head alight
Shoots forth the thin bright jet of starry spray;
Along its path is born the shadow knight,
Astride the steed that heralds end of day.

And reigning midst his subjects in the sky,
Putting to shame the glitter of each beam;
The moon whose very regal presence nigh
Inspires the mortal soul to heights supreme.

The sceptre of the tides, he rules the sea,
The prince of night, elector of the lights;
None hold dominion over all, but he
The orb of fire who rules the midday heights.

G. A. FURSE

Châlet Notes

As soon as the first term opened, the veranda of the Châlet was quickly used by the members. Sitting in the warm afternoon sun, they related their experiences of the previous summer.

A few days later the Châlet was officially opened with the election of a committee. On this governing body were Tom Cresswell, as President; Dave McMaster as Vice-President; Noel Goodridge, as Secretary. Other members of the committee were Hugh Bignell, Tim Ballantyne and John Scholes. Bill Scholes, representing the prefects, was later requested to become Treasurer, which position he accepted.

Regulations were soon made. A new form of punishment was instituted whereby offenders were fined fifteen cents for each offence.

The President quickly showed his efficiency by having a Philco radio-phonograph bought for the Châlet. Unfortunately, the effects of an electrical storm rendered this unserviceable, and it was replaced by a more durable substitute. This became a great attraction when boys lent their record collections for use in the Châlet.

Much gratitude is extended to Bobby Pattison, who became our electrical advisor, and who has undertaken the task of fixing three broken lamps.

Twice during the term the floor has had a thorough washing and waxing. Once it was for the Thanksgiving weekend, at which time the boys' parents admired the cozy little building; the other time was for the discussion groups which took place toward the end of term in the Châlet.

Unfortunately the number of boys who use the Châlet is greater than its seating capacity. A collection was made among the boys of the school to relieve this condition. But together with the small amount collected by fines, it formed too small a fraction of what was needed. It seems a pity that the profitable use of the Châlet should be inconvenienced by this condition.

However, a well beaten path through the snow to the Châlet indicates that it is a very popular place. Next term we hope to make it even more popular by having a Châlet dance.

—NOEL GOODRIDGE, *Secretary*.

YOU'RE TELLING US!

Getting out this paper is fun, but it's no picnic.

If we print jokes, people say we are silly.

If we don't, they say we are too silly.

If we clip things from other papers, we are too lazy
to write them ourselves.

If we don't, we are too fond of our own stuff.

If we don't print contributions, we don't appreciate
genius.

If we do, the paper's full of junk.

If we change other people's write-ups, we are too
critical.

If we don't, we are asleep.

Now, as likely as not somebody will say we swiped
this from some other paper.

We did.

Thanksgiving Day

DISTRIBUTION OF PRIZES

MAJ.-GEN. C. B. PRICE STRESSES MORAL VALUES AND PRESENTS THE PRIZES.

(We take the following from The "Montreal Daily Star")

Lennoxville, Que., Oct. 14—(Star Special)—

"More emphasis must be placed on moral values, as exemplified by loyalty, self-respect, discipline, and duty, if we are to progress in a democratic World", said Major-Gen. C. B. Price, C.B., D.S.O., in addressing the students of Bishop's College School, Lennoxville, at the annual prize giving ceremonies yesterday afternoon.

He urged the graduating class to keep these virtues in mind when they went out into the world. The contribution which Bishop's graduates had made to their country fully justified the existence of such schools, said Gen. Price.

The prize giving climaxed the Thanksgiving week-end festivities at the school, which included a special service in St. Mark's Chapel on Sunday and a football game between the School and the Old Boys yesterday morning. Following the ceremony, a tea dance was held at the school for the students and their guests.

BUILDING PLANS

In the Headmaster's report, which preceded General Price's address, Colonel C. G. M. Grier, E.D., told the gathering that by next year the first part of the school's memorial building scheme would be completed. Besides enlargements and improvements on the existing site this would include the construction of a new residential building. Colonel Grier added that a chapel would be built in the second part of the program, but that a small chapel had already been built and consecrated by the Bishop of Montreal in the main building.

The speakers were introduced by Lieut.-Col. W. Ogilvie, chairman of the Board of Governors of the school, and were thanked by Major John Bassett, Jr.

Sitting on the platform were General Price, Colonel Ogilvie, Colonel Grier, Brig. J. Price, J. G. Porteous, Major Bassett, R. R. McLernon, Lt.-Col. H. C. MacDougall, F. R. Paterson, and W. A. Page.

THE FOLLOWING IS THE PRIZE LIST, 1946-47

Senior School Certificate: W. C. Boswell (I Class), D. H. Brown (III), N. G. Courey (II), H. A. Hampson (I), D. R. Huggett (III), G. B. Seager (I), D. M. Vass (III).

WHITEHEAD II	Daisy Mae is quite a wit, He'll certainly never flunk.

C. S-P.

Three-B Form Notes

There is a form in B.C.S.
And Three-B is its name.
Its crew are few as you may guess,
But each with mighty fame.

There's Blejer with his Latin ill,
And "Bo" who hails from Lennoxville.
Cresswell and Call are two of a kind,
Except that Call has more behind.

Johnson and Graves will win in time,
And Lucas, who helped to write this rhyme.
Lundon, who's knowledge knows no rations,
Reid I and Reid II are not relations,
Because they come from different nations.

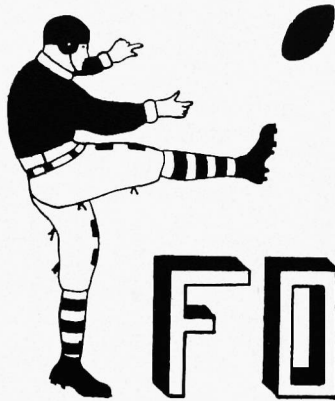

Smith II and Ross at constant war,
But their looks this does not mar.
Stuart has his comic books
And Williams gets the dirty looks.

Williamson, second to last of our buddies,
Though he's not nearly last in his studies.
Doc Winder too, is one of "da boys"
Even though he doesn't make much noise.

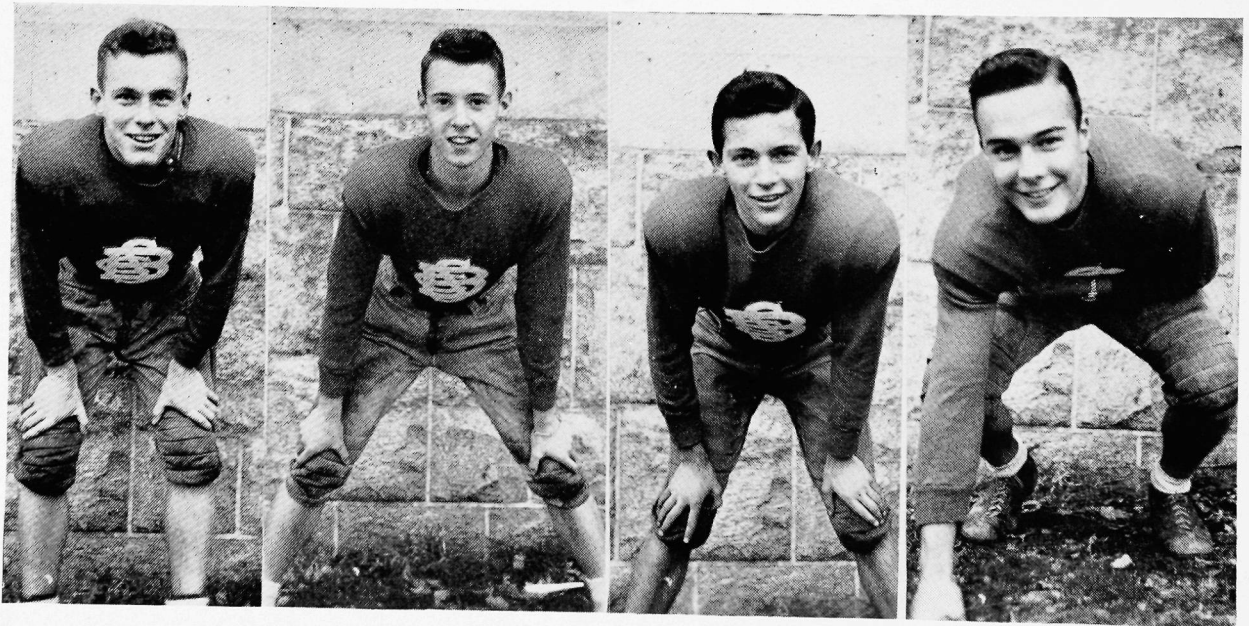

And so at night asleep and quiet,
A happy little town,
But in our school there is a riot
As Three-B rages down.

FOOTBALL

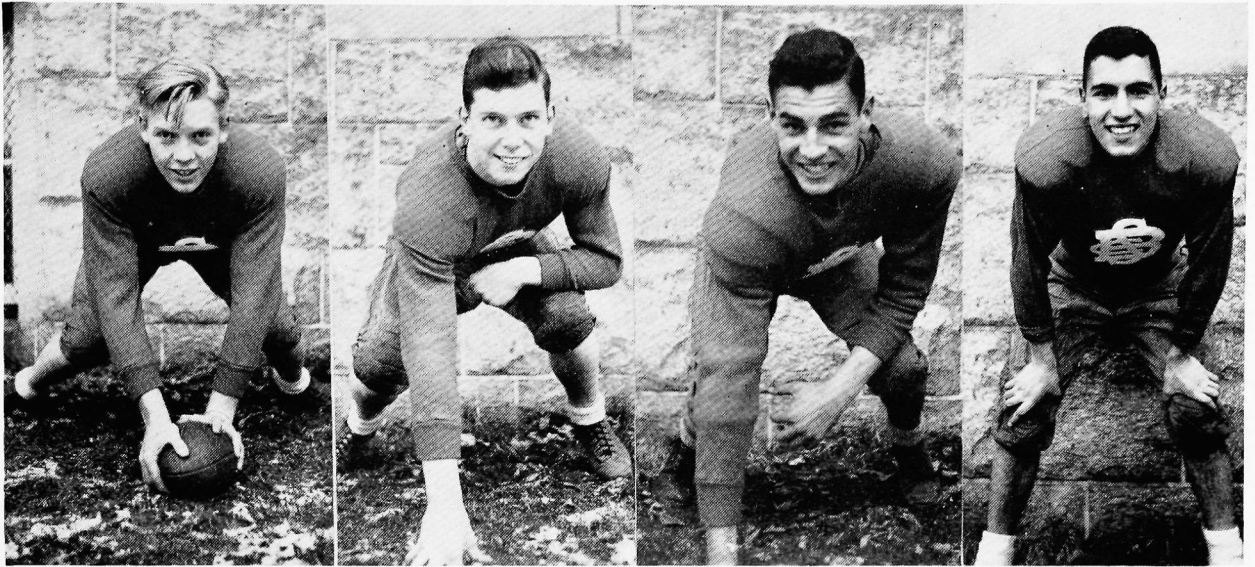

GRAY, (Captain) *halfback*. In his third year on the team Johnnie combined his playing ability with a fine team spirit. Whether called upon to tackle, run, kick or pass, he was always a threat and proved himself a good captain by his willingness to get into the thick of things at all times.

RIDER, *quarterback*. Freddie, playing for his second year, was generally a good field general. His accurate passing and long kicks gained many valuable yards and he was always good for those extra yards as a ball carrier.

COLLIER, *halfback*. Second year on the team. As last year his speed was his greatest asset, making it easy for him to gain yards around the end. He usually could be counted on to run back kicks, and break up enemy plays with uncanny success.

STEARNS, *outside*. Second year on the team. Whether keeping his end clear for our backfield, catching passes for long gains, breaking up the opposing team's end runs, or tackling downfield, Joe was always there. Teaming with Price, one felt safe that nothing would go around either end.

BURLAND I, snap. His ability to get the ball out at the right time and to the right person made Buzz a valuable man to have in the centre of the line. When on defence he could usually size up a play and stop it before too much damage had been done. All this along with a fighting team spirit was all one need ask of an excellent snap.

BIGNELL, inside. Second year on the team—winner of the Cleghorn Cup for the most valuable player on the team. His quiet, aggressive play proved a big factor in the team's success. Always willing to get into the thick of things, he could usually be counted on to get through and break up plays before they got started, while his blocking on the line gained many extra yards for his backfield.

PRICE, outside. First year on the team. His hands proved valuable for many long gains; his tackling and interference were always effective, and if necessary, he could be called upon to take over quarterback.

SPERDAKOS, halfback. Playing his first season on the team, George's running around the ends or plunges through the middle made him a threat at all times.

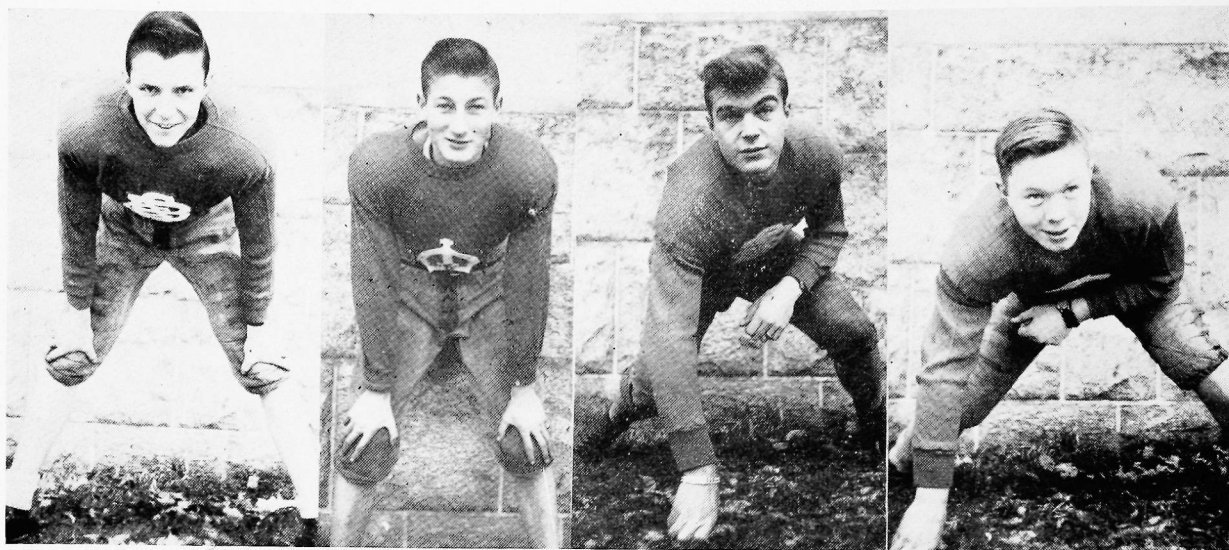

THE FOOTBALL SEASON

B.C.S. weather at its best added colour to a season which was one of the most successful and enjoyable in recent years. There was a good spirit abroad, and this, combined first-class material right down through all the creases, dry footing on the fields, and competent coaching, reaped its reward in the form of four unbeaten teams—the First, the Third, the Under-Fifteen, and the Prep. The Second team took the first team of the Sherbrooke High School into camp, but more than met its match in the High School of Quebec.

Coached by the captain of a former undefeated team, J. W. Price, the first team won twice from Stanstead, twice from Ashbury, once from Lower Canada, and once from the Old Boys. Their style of play was what one might have expected from a team coached by Bill Price, fast, enterprising, and opportune. There were times when a recession set in and when the team was slow to regain the initiative which it had lost. This was especially true of the second Ashbury match, which

might have been won by a much wider margin if the team had not sacrificed its cohesion to matters of purely personal interest. There were situations, too, when one was reminded of the fact that it takes more than a few weeks of coaching to inculcate some of the more obvious principles of football strategy such as the value of the fast-breaking end-run, and the quick kick on the first or second down. These are refinements of criticism, however, and need serve only as foot-notes to the record of aggressive and skilful football.

Rider, at quarter-back, handled the team capably, and ran, tackled, caught the kicks, and threw passes faultlessly. Gray (the captain), Glassford, Sperdakos, and Collier formed a fast and reliable half-line. Gray and Glassford alternated with Rider as forward-pass throwers, the latter's monumental heaves to the waiting arms of Stearns or Price I, accounted for many long gains. Stearns and Price were as good a pair of outside wings as we have had, and there was no weakening of the defence when MacDougall substituted for one or other

GLASSFORD, *halfback*. In his first year on the team Dave proved himself a valuable man in most departments. His long passes were usually accurate; his plunges through the line were useful, and when he had to tackle he did it effectively.

McMASTER
Sub backfield

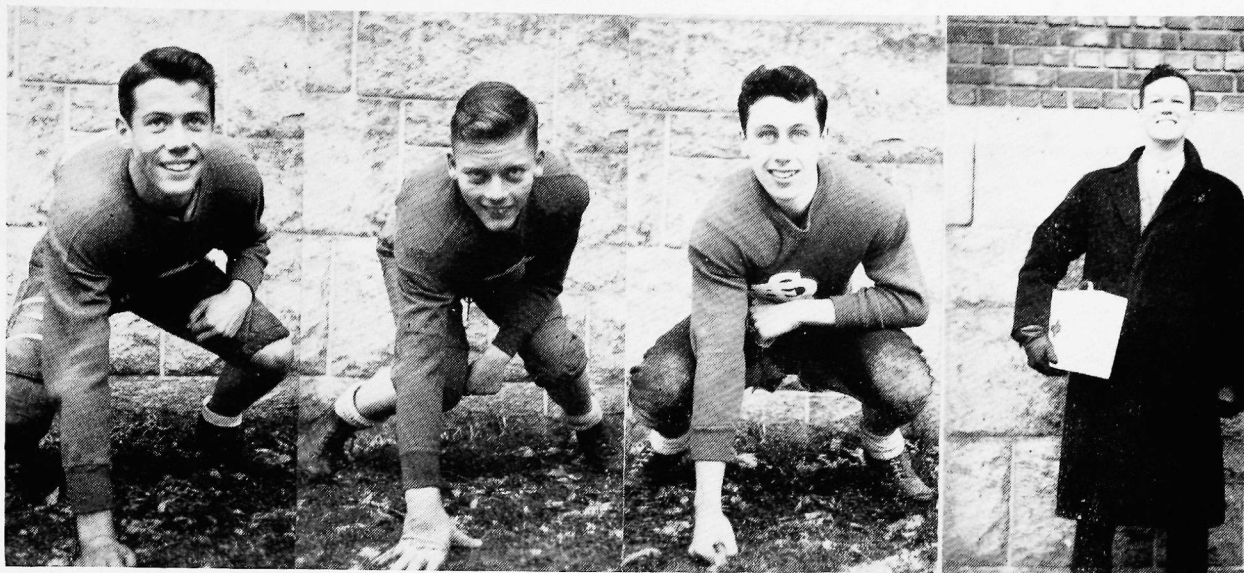

FAERMAN, *middle or inside*. Don could usually be found in the thick of things holding up his side of the line. A strong tackler, he could always be called upon to buck through the line.

CRESSWELL, *middle or inside*. His team spirit and drive made him a most valuable man. Whether breaking up plays or blocking, he was equally effective.

of them. Ballantyne II, and LeMessurier were among the lightest men on the team, but they played where the going was heaviest—at middle wing. Ballantyne was a particularly dynamic ball-carrier. There was plenty of weight in the centre of the line, with Burland at centre and Porter and Bignell on either side of him. All three were good. No bad snaps came from the Head Prefect's hands, and he was Johnny-on-the-spot when it came to intercepting passes at critical moments. That eminently dangerous, eleventh-hour forward pass came to rest in his possession on the last play of the second Stanstead game... to quote one instance. The quality of Bignell's contribution to the success of the team was adequately recognized by the award of the Cleghorn Cup. Creswell and Faerman won their colours for their good work at inside wing. Mention might be made of a number of second-team men who filled in at various times, among them McCulloch I, who was often used at quarter, McMaster at half-back, and Almond at outside wing.

Fixtures for second-crease teams included visits to L.C.C. and Ashbury. This was a new departure, but one that is not likely to be discarded in the future. There were enough boys on second crease to supply players for three teams, so long as they were not playing simultaneously. These teams were the Third and Fourth, with players from both combining to form an Under-Fifteen. The Third team journeyed to Ottawa and beat its opponents by a comfortable margin. The Under-Fifteen won by 6-0 at Lower Canada, and by a much larger score at home. The coaches put both these teams through a relatively comprehensive football course both practical and theoretical, and much good material was developed for future years. Lawrence I, captained the Thirds, and Ross II, the Under-Fifteen.

Down on third crease, Mr. Patriquin ran the usual intense Six-man League, from which Stuart's team, consisting of himself, Boright, Graves, Porteous, Dawson, Smith II, Creswell II, Call, Berlyn, and Price IV, emerged the winner.

MACDOUGALL, *outside*. Subbing for Price or Stearns, Hart did not weaken the team. A capable tackler or pass receiver, he well deserved his colours. He played outstandingly for Second Team in all their games.

BALLANTYNE II, *middle*. First year on the team. Though small in size, Tim made up for it by his drive, and could usually be found bringing down whatever came his way. As a line bucker he gained many yards.

LEMESSURIER, *middle*. First year on the team. Ernie played a steady, heads-up game. Blocking, bucking, or tackling, he could always be counted on to do his best, and get into the play.

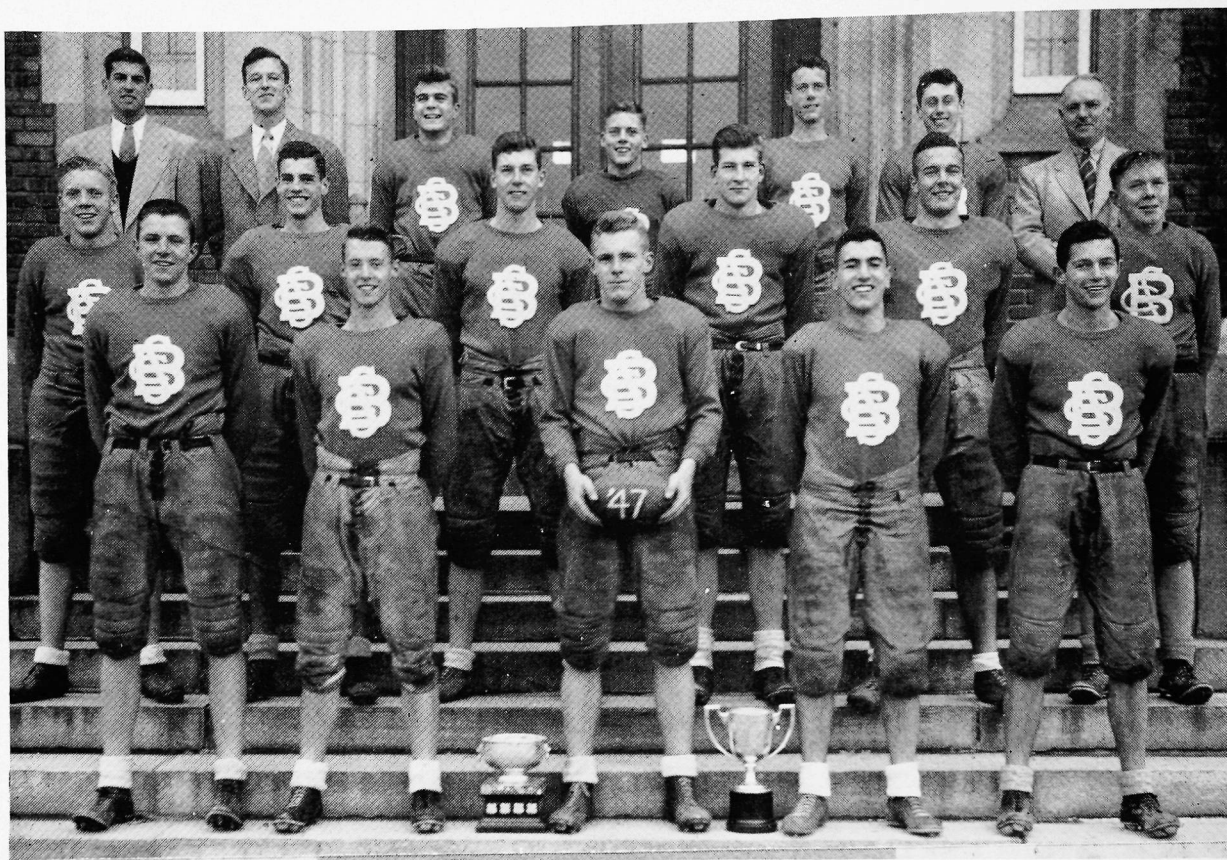

J. Ross, *Manager*

PORTER, *inside*. First year on the team. His aggressiveness and ability to get through or block, as the case might be, was a great asset to the team. One could count on him being in the thick of things no matter where he was.

STANSTEAD VS. B.C.S. AT B.C.S.—WON 16-10.

Led on by a hard-tackling line and a quick-thinking backfield, the school battled to a sixteen to ten victory over Stanstead College. The second quarter marked the advent of passing plays for Bishop's and opened the scoring as first Spurdakos and then MacDougall caught passes to put the ball on Stanstead's ten yard line. Rider, the school quarterback flung around left end to put B.C.S. in the lead. Near the end of the quarter, Stanstead completed a forward to the one yard line and bucked through to even it up 5-5. From then on it was Bishop's on the ball and the quarter ended with Price catching a long pass thrown by Rider on Stanstead's thirty-five yard line. The school failed to click at the start of the third quarter and Stanstead rolled down the field until another intercept by Collier held them up and gave B.C.S. a chance to pull together. There then developed a short

kicking duel between Ferguson and Rider which finally ended and a long forward pass was thrown to Price. Four plays later, after a double offside, Rider sped around left again and scored. That play ended the game for him and he was helped from the field. Glassford kicked the point as the line held beautifully and the quarter ended eleven to five in favour of B.C.S. True to the purple and white style, the fourth quarter opened quickly and this was without a doubt one of the most exciting quarters seen here in a long time. Stanstead and Bishop's both played hard and an irresistible force hit an immovable object. The result? A short pass to Gray was intercepted by Montgomery and the lithe speedster ran fifty yards in the most spectacular run of the game to put Stanstead back in the game, ten to eleven. B.C.S. sped up the field on a recovered kick by Spurdakos, and long gains by Gray and Glassford. The backfield ran

hard and the line held as yard line after yard line receded the team's driving attack. When the dust had cleared, Price had raised the score by five points and it was now sixteen to ten. From then on it was B.C.S. again and again as Burland, Ballantyne, and Co. hurled the red and white for losses on every down. So ended a closely fought game.

ASHBURY VS. B.C.S. AT B.C.S.—WON 6-0.

A justifiably publicised Ashbury team met their match in the first game of a home and home series with B.C.S., losing six to nothing. It took the maroon and white a full quarter of the game to understand the quick moving attack of the school and by that time they had been forced from Bishop's fifteen yard line to their own goal and a touchdown pass caught by Price.

Ashbury fought back and reached their own thirty yard line at the end of the quarter. They found their

feet in the second quarter and the two teams battled for possession of the midfield stripe, which finally ended in Bishop's hands, and the half finished 5-0 in favour of the purple and white. In the third quarter, Ashbury shook Scott and Price loose for four successive first downs only to be stopped by bad luck and hard line play. B.C.S. resorted to running signals and gained a rouge on an attempted place kick by Stearns at the beginning of the quarter. Ashbury did everything but score in the remaining minutes of the third quarter and the school was stopped twice within twenty yards of the Ottawa goal line where Ashbury fought like tigers. The fourth quarter saw fate laugh in the face of both teams as first Bishop's and then Ashbury threatened to score. Ashbury's onside kicks seemed to unnerve our team. The more Ashbury gained, the harder B.C.S. fought and the quarter ended with an onside kick by Ashbury, a hard game to win and an even harder game to lose. Ashbury played a good game and B.C.S. in spite of numerous mistakes walked off the field on the topside of a 6-0 score.

B.C.S. vs. OLD BOYS—WON 7-6.

For the first time in four years a B.C.S. team beat the Old Boys 7-6 in an action-packed game which saw the old brigade rally in the fourth quarter within one point of a tie. Rider's short pass to Price in the third quarter clinched the game for the school. Two singles were kicked by Rider in the first stanza. The play was fast and furious as the school tried running signals in the first three quarters. The tackling was good and a much improved team from the Ashbury game deserved the win. Glassford's accurate passes, thrown while he was being tackled were a pleasure to see and the sure catching of the ends, particularly Price, made them complete.

The line was strong and the school's backfield made very few errors, sometimes going for long gains. The prominent feature of the game was the passing and the pass defence on B.C.S.'s squad. Several times the Old Boys threatened on long passes but always at the last moment a school sweater appeared to either knock down or intercept the pass. The school played its best game to date and once again emerged victorious making four wins in as many starts. Collier and Spurdakos ran well for the school and Gray and Rider played effectively both on defensive and offensive. The bucking also was good.

L.C.C. vs. B.C.S. AT B.C.S.—WON 18-5.

This game demonstrated the full value of the kicking game. Collier's good running record of sixty-six yards in about six plays, and the five-rouge kicking of Rider and Gray only served to polish the already long-to-be-remembered gains of Spurdakos and Rider on the run.

STANSTEAD vs. B.C.S. AT STANSTEAD—WON 8-0.

B.C.S. came up with a much surer brand of football than the last game when they defeated a much improved Stanstead team eight to nothing on strange ground on October 4th. In the first quarter Bishop's had one good chance to score but the red and white held them for three successive downs on their five yard line. The second quarter saw B.C.S. in a scoring way when a Glassford to Stearns pass put them on Stanstead's twenty-five yard line where Spurdakos attempted a field goal, kicked a rouge instead and the score at half time was 1-0 in favour of the purple and white. The only major score of the game resulted from a short pass to Stearns,

this time from Rider, and it was immediately taken care of with Stearns racing the remaining 25 yards. Several minutes later, Rider, who was kicking in great style booted another single and upped the score seven to nothing in Bishop's favour. In the last quarter Signal recovered a Stanstead fumble on the ten yard line and Rider again played safe with a rouged kick. Stanstead threatened seriously in the last minute of play, going the length of the field on an end run and sleeper only to be stopped at the B.C.S. goal by Burland who knocked down a forward. The game ended 8-0 in favour of B.C.S.

THIRD FOOTBALL TEAM

The Third Team, made up of boys from the second crease, enjoyed a highly successful season. They completed their three-game schedule undefeated, and in winning two games while tying one, they amassed 38 points to their opponents' 2 points. The team was ably coached by Mr. Grier and Mr. Sullivan.

The team had a fast charging, hard tackling line, and an alert backfield. Proof of the effective tackling is the fact that no touch-downs were scored against them. The backfield was quick to take advantage of the other teams' weaknesses, and often caught their opponents flat-footed. The blocking improved during the term, as did the all-round efficiency of the squad.

Third Team Colours were received by the following: Lawrence I (Captain), Hickey, Sharwood, Price II, Lawrence II, Peirce, McGee, McCulloch II, Ashworth, Garneau, Giles, Cohen, Ross II, Bishop, Glassford II.

S.W.C. AT B.C.S. OCT. 22

The first game played on home grounds against Stanstead was won 27-0. Playing against an inexperienced and hastily formed team, B.C.S. scored 16 points in the first half. Taking advantage of a Stanstead fumble, the team passed, ran, and bucked into scoring position. Cohen then went around end for a touch-down which was converted. From a kick-off by Stanstead, Ashworth received the ball for B.C.S. and ran it back for another touch-down. Near the end of the half Glassford II fell on a fumble behind the Stanstead goal line for another 5 points.

In the second half Bishop's continued to press, but with less effectiveness. Cohen again scored around the end, followed by a touch-down through the centre of the line by Lawrence II. The convert was made by McCulloch II.

At all times B.C.S. had the advantage over their rivals, who nevertheless played a good game.

B.C.S. AT ASHBURY—NOV. 1

The Third Team played at Ashbury on November 1 and defeated a very good Ashbury Team by a score of 11-1. In the first quarter, B.C.S. played sluggishly;

Front Row:—W. FULLER; C. PEIRCE; B. GILES; M. McCULLOCH; R. ROSS, (Captain); T. BISHOP; G. PORTER; K. SOUTAR.

Ashbury, taking advantage of this fact, scored a rouge within the first five minutes of the game. From then on to the end of the quarter Ashbury pressed hard, but the middles and insides held firm, stopping the Ashbury advance. In the second quarter, B.C.S. began to play better football, and behind the running of Giles, the plunging of Lawrence II, and the kicking of McGee, they racked up six points on a touch-down by Giles and a rouge by McGee. The half ended with B.C.S. leading 6-1.

In the third quarter B.C.S. had a decided advantage in play, but they could not score until late in the quarter when Lawrence II dribbled the ball over the goal line and fell on it for a touch-down which was not converted. The rest of the game was a battle back and forth with Ashbury having the advantage.

B.C.S. AT S.W.C.—Nov. 8

In the last game of the season, the Third Team played Stanstead to a 1-1 draw. Stanstead had the advantage of play throughout the first quarter and most of the second. They ran and bucked through gaping holes in the B.C.S. line and finally kicked to the dead-line for a rouge. From there until the dying moments of the second quarter, B.C.S. was hard pressed to withstand the S.W.C. squad. B.C.S. finally brought the ball to kicking position by a series of plays, and McGee, whose kicking was outstanding during the whole game, kicked a rouge. This was unfortunately called back, as B.C.S. was offside. The half ended with Stanstead leading 1-0.

The third quarter was a see-saw battle with both teams having opportunities, but neither able to capitalize

on them. The fourth quarter found B.C.S. desperate. They advanced the ball to within five or ten yards of the Stanstead line, but could not score a touch-down due to the fine defensive play of the S.W.C. team. McGee kicked another rouge which was again called back. Finally, in the last minutes of the game, McGee kicked a rouge with B.C.S. all onside. The final score was B.C.S. 1—S.W.C. 1. Stanstead was a team improved both defensively and offensively and gave the Third Team its hardest fight of the season.

UNDER-15 FOOTBALL TEAM

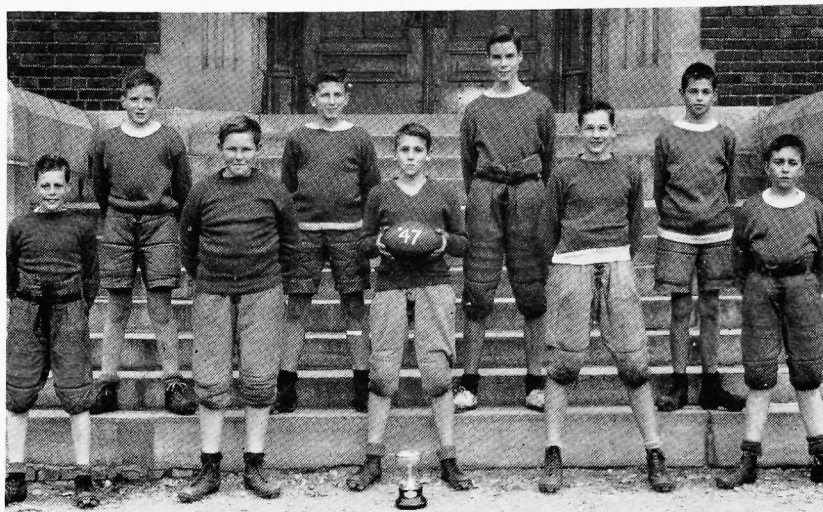

This year, for the first time at B.C.S., an Under-15 Football Team was formed. Coached by Mr. Grier, the team won two victories over L.C.C.

B.C.S. AT L.C.C. Oct. 18

The first game was played on the L.C.C. playing fields in Montreal. The line, although inexperienced, held extremely well during the first half, in which our only touchdown was scored by Lindsay. In the second half our team, although weaker, managed to keep L.C.C. from scoring. The score was raised to 6-0 by a rouge scored on a quick kick by McCulloch II.

L.C.C. AT B.C.S. Oct. 25

During the second game, at B.C.S., the L.C.C. team, which had the edge in strength all through the game, did not seem to be able to take advantage of their scoring opportunities. Our first touch-down was scored when Setlakwe recovered a ball which had been fumbled by L.C.C. while receiving a snap behind their own goal line.

Front Row:—T. PORTEOUS; M. N. CALL; R. B. STUART, (Captain); G. F. DAWSON; J. W. GRAVES.
Back Row:—R. W. BERLYN; W. M. PRICE; R. M. BORIGHT; A. H. SMITH.
Absent:—P. R. CRESSWELL.

Bishop plunged over the line for our second touch-down on a fake-kick play. Closely following this, L.C.C. scored their only touch-down on a succession of brilliant runs, but failed to make their convert. In the next quarter it was Giles' turn to score. By eluding all tacklers he extended a line buck into a thirty yard run. B.C.S. took every

advantage of completing converts, and the final score was 18-5.

Williams' House

1947-1948

"I know nothing more wonderful than a peaceful house."

Last September 11th, on a warm night, seven boys entered the halls of the main school building and discovered that they were to receive the hospitality of Mr. and Mrs. Patriquin this year, and thus the Michaelmas Term opened in the best way, for them. It did not take long to start the usual Fall activities, for as soon as conditioning exercises were over, Ernie LeMessurier played on the First Football Team; John Lawrence was elected captain of Third Team; his twin, Don, played with him; Johnnie Scholes, one of our headboys, became assistant coach on third crease, while Noel Goodridge and Mike Ballantyne, the other headboy, worked out in the gym preparing for the coming competition.

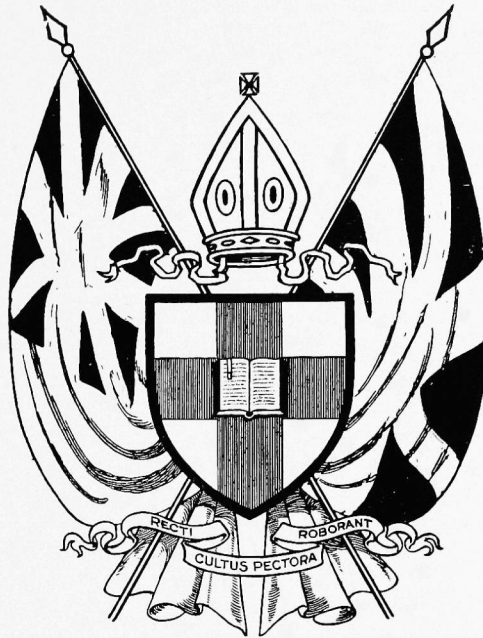

The mid-term break interrupted school life for the better part of four days, and we came back to find the

cross-country race upon us. Unfortunately, only three members were able to enter, Ballantyne, Goodridge, and LeMessurier, and the results were as good as could be expected.

I have yet failed to mention the seventh person, George Furse, who, besides palying a full season's football, landed a role in the Player's Club production, "Arsenic and Old Lace". Though there are four other members of the Player's Club in the house, the Debating Society is also represented by two eloquent speakers, Ballantyne and Goodridge, who still believe that modern youth is not irresponsible.

The snow is here, exams are approaching ominously, and Christmas, too, is not far away, and wishing Mr. and Mrs. Patriquin a very merry Christmas, we thank them again for everything.

CADET CORPS NOTES

The Corps this year has a strength of 132 boys consisting of 96 cadets and 36 Recruits.

Officers: Cadet Major F. F. Rider, Cadet Capt. H. R. Burland, Cadet Lieut. T. E. Price, Cadet Lieut. D. McL. Glassford, Cadet Lieut. W. D. Scholes, Cadet Lieut. D. McC. Stearns.

Warrant Officers: Cadet C. S. M. T. B. Cresswell, Cadet Q. M. S. R. C. Molson, Cadet Drum Major J. T. Ross.

The training programme of the Corps this term has consisted principally of platoon and rifle drill, recruit training, and range practice.

The company has been organized into four platoons and a bugle band. The platoon commanders and the drum major are held responsible for the training and general efficiency of their respective commands. For training purposes the recruits were drilled as a separate unit, until they had reached a standard of efficiency comparable to that of the remainder of the Corps.

Rifle shooting has continued satisfactorily, with all cadets having fired the Annual Range Classification. The results were gratifying: 24 cadets qualified as Marksmen Sniper Class and 30 cadets as Marksmen Expert Class.

A selected platoon, consisting of the Cadet Officers and 36 other ranks, represented Bishop's College School at the annual Remembrance Day parade held at Lennoxville on Sunday, November 9. The platoon, commanded by Cadet Major Rider, led the parade to the cenotaph, where Cadet C. S. M. Cresswell read the School's Roll of Honour.

NEW BOY GYM COMPETITION

As a climax to several weeks of intensive training, thirty-two New Boys, divided into five equal teams, met in the B.C.S. gym for the Annual New Boy Gym Competition. Each of the teams was under the supervision of an experienced leader selected by Mr. Sullivan.

Good form was much in evidence as the teams performed the required exercises on the vaulting horse, parallel bars, mats, horizontal bar, and climbing rope. The events were judged by Mr. Moffat, Mr. Bryson, Mr. Buchanan, Mr. Hall, and Mr. Sullivan.

The B.C.S. New Boy Gymnastic Trophy, which is awarded to the team having the highest average score, was won by No. 5 Team, captained by W. Badger, and instructed by R. Cohen. A cup for the best competitor was awarded to W. Badger who scored $204\frac{1}{2}$ points out of a possible 210 points.

NEW BOY BOXING COMPETITION

Of twenty-eight New Boys who participated in the preliminary boxing bouts, eight finalists competed for title honours in the B.C.S. ring on December 13. A summary of the 3-round final bouts follows.

PAPERWEIGHT

Williams, 96 lb. vs. Berlyn $99\frac{1}{2}$ lb. The initial bout brought together Williams, a skilful boxer, and Berlyn, a

hard counter-puncher. The fighters were evenly matched: first one, then the other gained the edge. The final round was the deciding factor, with Berlyn effectively dodging or blocking his opponent's blows, and countering with strong left and rights to the body. Berlyn was the winner by a slight margin.

BANTAMWEIGHT

Setlakwe, 111 lb. vs. Mather, 116 lb. Both Setlakwe and Mather slugged and boxed alternately, making this bout a good fight from the spectators' point of view. Setlakwe, a more experienced fighter than Mather, was the aggressor. During the early part of the fight Mather was content to let Setlakwe lead, but countered with effective blows of his own. Setlakwe had the edge in the first round, with the second round even. In the third round Mather twice backed his opponent into the ropes with accurate and hard punching. Setlakwe missed frequently with wild right swings as the round ended. Mather won a hard-fought decision.

FEATHERWEIGHT

Ross 111, 120 lb. vs. Winder II, $125\frac{1}{2}$. Ross 111, a short, stocky fighter, and Winder, a tall, lean boxer, formed a strong contrast in the ring. In the early part of the fight, Winder's left jab was effective in keeping his opponent out of range. Ross, a mauling fighter, succeeded in breaking down his opponent's guard, and scored effectively to the body and head. In the final round Ross was the aggressor, winning the round and the fight.

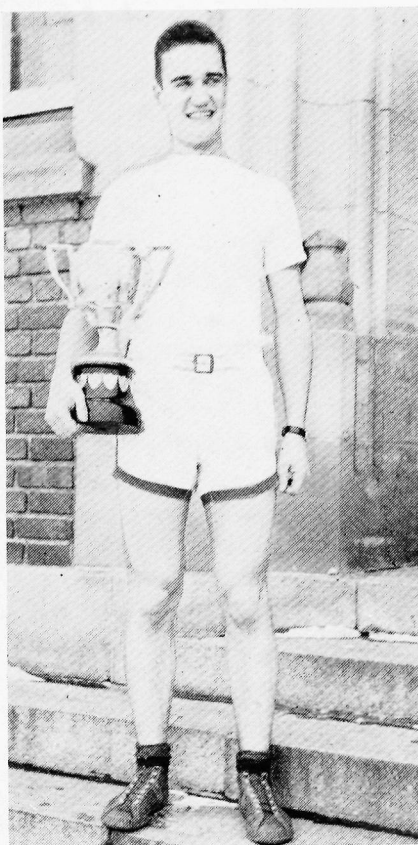

MIDDLEWEIGHT

Porter II, 144 lb. vs. Peers, $153\frac{1}{2}$. An outstanding exhibition of boxing was shown in the final bout fought by Porter and his older, heavier opponent, Peers. Porter, with an effective left jab, scored repeatedly throughout the fight, although he was unable to connect with his right. Peers' heavy artillery was a right hook with which he quickly followed up his left leads. Being much the heavier, Peers was able to force the fight throughout. In the final stages of the bout, Porter appeared to be tiring, as Peers connected with several hard right hooks to the head. The well-contested title went to Peers.

By the decision of the judges, Mr. Moffat and Mr. Bryson, the trophy which is annually awarded to the most deserving novice boxer, was presented to Peers.

A. V. CORLETT
WINNER OF THE 1947 SENIOR CROSS COUNTRY RACE

CROSS COUNTRY RACES

Condition, practice and ideal footing, but especially rigid adherence to his training schedule (and, of course, a fine natural ability) enabled Corlett, former Heneker and Boswell Trophy winner, to break Hickey's 1944 senior mark in this year's Cross Country race on November 10th. Corlett's time, 28'21", was a solid twelve seconds under the former record, and is very likely to stand for a considerable period.

Not in the writer's experience with B.C.S. cross-countries (sixteen of them) has a runner finished in such superb condition or with such obvious control of the race. Close behind Corlett ran another fine harrier, Collier, whose time was good enough to win in most years. For that matter, seven of the 39 starters posted excellent times.

Fuller ran a steady race in the Heneker event, and was given a close race by Rogers and Mackie, who trailed him by five and eight seconds. Giles, last year's winner, ran the course with an incipient stomach-ache

which developed into cramps at the Golf Course, and was unable to finish. McCulloch I dropped out of the Senior race to help him home.

Chapman House easily registered a team victory in the Senior Shield contest, with six runners out of the first ten, and eight other finishers.

All medically fit members of Corlett's "D" dormitory edged out "C" Dorm, likewise a 100% fitness-entry, by 60 $\frac{1}{4}$ seconds in team time. "C" Juniors, led by Fuller, were seconds faster than the winners, but, after Corlett, Williamson's low time in his first cross-country gave his dorm a big advantage in the Senior average. Congratulations to both dormitories for the best team spirit since the shields went up for competition.

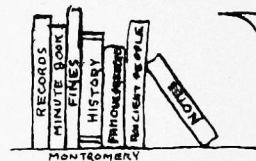

The First Ten.

THE CAST

The Players' Club

At the very beginning of the term a Players' Club of about 35 boys started on a production of Joseph Kesselring's comedy, "Arsenic and Old Lace." After last year's "Henry IV" this play was chosen with the idea of having a pleasant rest. It proved pleasant enough, but no rest, for it is a long play and full of situations and sequences that demand split-second timing and plenty of cooperation among the players. With its single set and variety of roles it made a fine exercise for the Club, and, best of all, provided excellent entertainment.

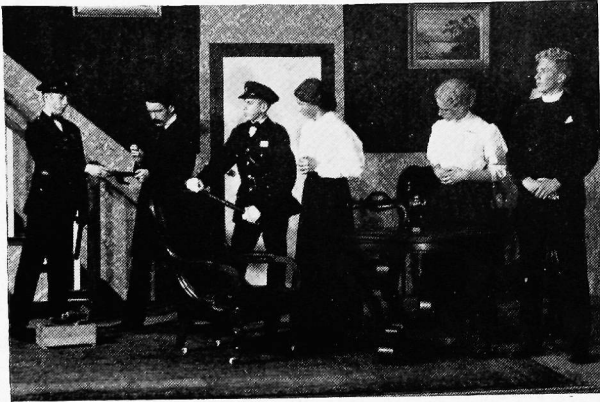

The show provided two innovations, a Compton girl playing the ingenue lead, and two performances instead of the usual one. Both experiments were successful. The Club is most grateful to Miss Gillard for permitting Ann Pitt to play Elaine, and grateful too to Ann Pitt for making such an excellent job of her part in spite of the fact that she attended about a third as many rehearsals as other members of the cast. As for the two-night stand, it cut down a great deal on that horrible "all those rehearsals and now what?" feeling one usually has on the morning after. Incidentally, it is the feeling of those who handled the business end of the production that in future there should be more advertising, tickets on sale at specified places in Lennoxville and Sherbrooke, and no peddling of tickets by boys, as this is likely to result in tickets being sold to kind-hearted people who have no intention of using them.

Criticisms of the cast, most of them very favourable, have appeared in various papers, so in this report it might be well to mention those whose work proved of especial value in ensuring the success of the show—work which was apparent throughout the weeks of preparation, and of which only the final result was seen by the reporters during the performances.

The keenness and good sense of Almond and Faerman spurred the entire cast on even through the longest and dulllest rehearsals, and they set a standard of work which raised the general level of acting in the play. Oaks invented some excellent bits of business, and to him should go

"BUT WE MUST HAVE THE SIGNATURE OF A DOCTOR . . ."

"WHAT'S THIS ? THE OREGON ?"

much of the credit for the effect of the black-out sequence in Act II. Price, the Stage Manager, was always on hand when needed, and got work out of the stage hands without friction. Rider had the thankless job of property manager, and produced countless improbable but necessary items and—showing himself a property manager non pareil—saw that they were promptly returned. Skipping over many actors and technicians who did their jobs well and helped to make the play, mention should be made of a number of younger members of the club for whom no part or definite job could be found in this production, but who stuck around, always willing to help, and, it is to be hoped, picking up stage experience which will make them valuable members in future years.

Le Club Français

This year marks the 12th, consecutive year of the French Club, and its members are: G. Dawson, S. Angus, J. McCord, M. MacLennan, R. Cohen, A. Miller, R. Stuart and G. Courey. Meetings are held each Saturday night for an hour and a half at Mr. Hall's house.

Proceedings for one of the regular meetings are as follows: Each member starts with 50 points, and loses varying amounts if he fails to answer questions correctly or adequately, or else starts with no points and tries to earn as many as possible during the evening. Different games, such as: *A Quoi est-ce que je pense*, *La Malle de ma grand'mère*, *Mots Croisés*, *Lettres Mélangées*, are all played with the winner and runner-up earning a certain number of points. A few points are given to members who make satisfactory contributions. Games to increase vocabulary are also played, such as: Looking at a picture for a few minutes, and then writing down answers to questions or listing the number of objects

remembered. As far as possible French is spoken during the meetings. Games are also played so that members may put into practice words and expressions they have learned from week to week such as: *Que feriez-vous si . . .*, then a certain situation would be given in which each member tries to extricate himself in a satisfactory manner. To add variety to the evening's programme, games such as: Cross word puzzles, Forming small words from larger ones, Writing down as many words as possible beginning with a certain letter in a certain time limit, are also played. The meetings end with adding up the scores, after which refreshments are served.

This year's members wish to thank Mr. and Mrs. Hall very much for the use of their home and for the refreshments served at the end of each meeting. To one and all, the French Club extends greetings for "Un Joyeux Noël et Une Bonne et Heureuse Année".

The Shooting Club

This year a Shooting Club was formed as a Saturday night activity for 16 enthusiastic marksmen. The club was divided into two 8-boy groups which, on alternate Saturdays, took part in range practice under the direction of Mr. Sullivan. While the club is composed principally of senior boys, there are four junior members who are showing excellent promise.

The current term has been devoted to firing the Annual Range Classification and in preparing for the D.C.R.A. and R.M.C.C. competitions.

Members of the club are:

Cresswell I, Winslow, Porter I, McCulloch I, Faerman, Price II, Winkworth, Gilmour, Wall, Salter, Smith I, Bishop, Mackie, Price III, Patterson, Whitehead I.

AUTUMN LEAVES

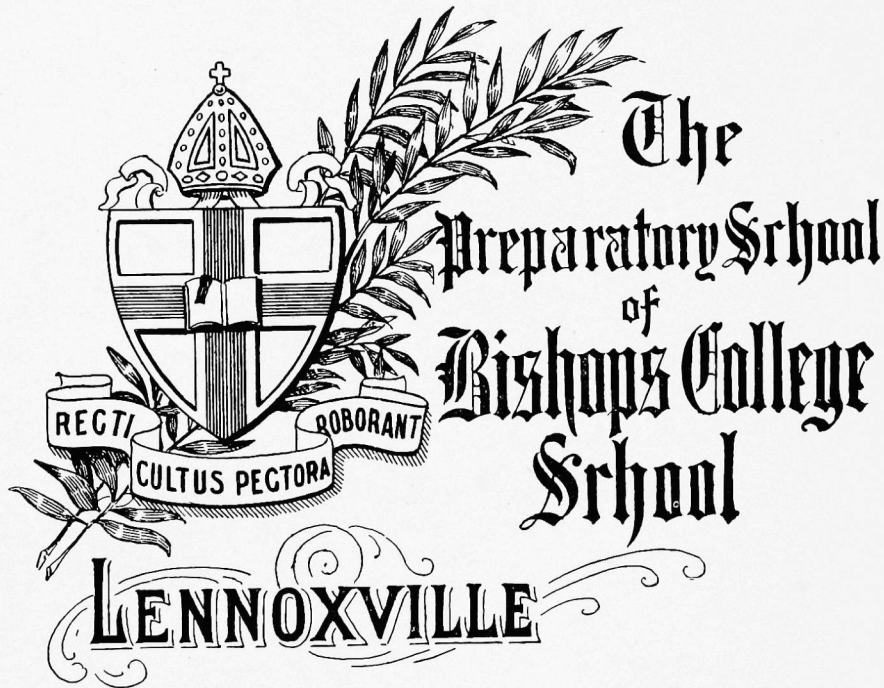

A growing coldness in the air, a windy day in cloud
Herald the advent of the Fall with the wind awhistling loud.
The sun may come but heat not hold
To warm the leafy shroud.

The leaves are swept from every tree, the colours of the earth
Are changed from green to brown and red as Autumn
shows her worth.
The storms so frequent, windy, cold,
Betoken Winter's birth.

All colours known to man appear in all the wind-blown
leaves,
Only to disappear in flame amassed in ordered sheaves,
The patchwork quilt of nature's work
A different pattern weaves.

A rich man stripped, a poor man clothed, the barren trees
remain
A bright array has changed its shade along a shady lane.
The wind whips fast when winters lurk,
For Autumn's here again.

NEW BOYS

This year we welcome to the Prep. 15 new boys: Ashworth, Badger, Bassett, Briggs, Bryson I, Bryson II, Cousins, Christie, Hyndman, Johnson, Kingsmill, Ogilvie, III, Percy Scott, and Trott. They seem to be fitting in well and we hope they will continue to enjoy their stay here.

We are also happy to welcome Mr. S. Day, an old boy of the school and of Bishop's College. We are all glad to have him here and sincerely hope he will enjoy it.

ART AND HANDICRAFT

We were all very happy when we found out that Mrs. McMann, the recently married wife of Mr. McMann, was going to teach Art and Handicraft.

We have made many useful things during the term. Remove has made comb cases, book marks, calendars, and some pictures in water colours.

III A has made suit-case tags, comb cases, note books, and calendars.

Form II has made desk blotters, book marks designed in felt, and framed paintings, as well as Christmas and Thanksgiving cards.

We thank Mrs. McMann for all her patience and help.

G. Findlay

THE LIBRARY

The Library is still going strong this year and we wish to thank the boys who have contributed interesting books which have already given many enjoyable hours of reading. The books that have been presented are: Roy Rogers and Gopher Creek Gunmen, presented by G. Findlay; Dave Dawson with the Pacific Fleet, by E. Tremain; The Mystery of the Flying Express, by C. Cohen; Awol K. Commando, by R. Hart; and The Secret Cargo, by D. Vaughan.

By the end of the year we hope to have a still bigger library. The Library Monitors are C. Cohen and J. Turnbull.

C. Cohen, R. Carter

MOVIES

This term, as usual, the master on duty has been kind enough to show us movies on Saturday nights, the best of which, in most people's opinion, were Ride 'Em Cowboy, The Lure of Quebec, A Lost World, and Hunting the Walrus. There were many others which were also very good.

There were four talking pictures in the Upper School, which were very good: The Daltons Ride Again, The Invisible Man, Soccer Tips, and The Plainsman and the Lady.

I'm sure the whole Prep. thanks Mr. McMann for the trouble he takes each week in ordering movies for Saturday evenings.

THE PREPARATORY SOCCER TEAM, 1947

Back Row:—J. D. CHAPMAN; M. J. OGILVIE; S. DAY, ESQ.; M. A. ASHWORTH; P. R. CARTER; R. M. HART; G. S. FINDLAY; W. A. PAGE, ESQ.; H. M. D. VAUGHAN; W. B. MITCHELL.

Front Row:—J. W. TURNBULL; T. W. M. GRIER; E. W. H. TREMAIN; C. E. COHEN, (Captain); J. S. TROTT; R. E. SCOTT; J. J. BRIGGS.

SOCCER

This year we started soccer from scratch except for Cohen, who was a spare on last year's team. John Turnbull, who was elected captain, and who was a good right wing as well, took sick with bronchitis after the first game, and so Cohen took his place as captain, and Scott as right wing. Jimmy Briggs, a new comer to the school, played left wing. It was his first year of soccer, but he played very well, his speed helping him very much. Tony Ashworth, in goal, played very well throughout the season, and especially in the last game against Selwyn House. Although we did not win the Wanstall Cup, we had a fine soccer season and never lost a game.

In our first game we played against Stanstead and beat them 5-1. The following week Selwyn House, our rivals for the Wanstall Cup, came down to B.C.S. and we tied them, 1-1, after they had been leading us until five minutes before the end. In our second game with Stanstead we beat them 1-0, and in our final game in Montreal against Selwyn House we again tied them 2-2, after leading them until ten minutes before the end. We therefore tied with Selwyn House for the Wanstall Cup.

Our team was as follows: goal: T. Ashworth; backs, R. Hart and G. Findlay; half backs, J. Chapman, T. Tremain and B. Mitchell; forwards, J. Briggs, C. Cohen (Capt.), J. Trott, M. Ogilvie, and R. Scott. Spares, T. Grier, D. Vaughan, and R. Carter, who played as back in the first two games until Findlay was able to play.

The summary of goals scored is as follows; Cohen, 3, Briggs, 3, Trott, Ogilvie, and Scott, 1, each.

Mr. Day was our coach this year and he did a very good job.

Second Crease was coached by Mr. Farthing, who turned out some very good players. The best of these were Johnson, Dixon, Bassett, Smith III, Ogilvie II and Weinstein.

M. Ogilvie, T. Tremain.

THE SOCCER LEAGUES

After the games with our rival schools we started the usual soccer leagues, each made up of four teams. Each team was composed of boys of all ages and sizes in the Prep. with the captain of each drawn from the first team.

In the first league, Hart's team, the Cyclops, won the league after a hard fought game with Briggs' team, the Monsters. Then came Cohen's team, the Giants, and Tremain's team, the Ogres, tied for third place with 3 points each.

The second league also produced some hard fought games. Mitchell's team, the Watchmen, came first with 8 points; Chapman's team, the Guardians, and Vaughan's team, the Night Janitors, were tied for second place with 7 points; and Turnbull's team, the Sentinels, finished up with 4 points.

Though we had only two leagues this year instead of three, as in previous years, we had a lot of good soccer and all got very good fun out of it.

RADIOS

This year, more than any other, boys have brought their radios to school. At different times this year there have been eight radios in the Prep., not including crystal sets. Hart, Mitchell, and Weinstein have plug-in sets; Bonthron, Dixon, and Dever have portables; Cantlie, a beach radio; Chapman, a small battery set, which he made.

The radio enthusiasm in the Prep. this year is very great, but the building of radios is confined mostly to Remove, and Reform form room is usually a mass of wires. Hart and Chapman have made a Morse code transmitter which will broadcast throughout the school. There are two crystal sets, Chapman's and Carter's, which will, under much strain, pick up Sherbrooke's French Station.

I sincerely hope more boys take up the hobby.

J. Chapman

STAMPS

This year there are fewer stamp collectors than in recent years. Only six of the boys in Remove save stamps, when last year fourteen boys in Remove saved stamps.

In Remove, T. Grier and G. Findlay save from all over the world. T. Tremain has a general collection but specializes in stamps from the United States. R. Hart and J. Turnbull save only British Colony stamps, and J. Chapman only saves stamps that are on envelopes. He has a rare collection of these from all over the world.

In III A. T. Ashworth, D. Bryson, and A. Weinstein all have large collections at school, while J. Briggs and M. Kingsmill have smaller collections. J. Cantlie, D. Downs, N. Goodbridge, B. Taylor, and J. Trott all have large collections at home.

THE CAMERA CLUB

This year the Prep. Camera Club has progressed greatly. Under the guidance of Mr. McMann many boys have learned to develop and print their own photographs.

The following boys are interested in the club: Bonthron, Carter, Cohen, Dever, Dixon, Downs, Hart, Johnson, Kingsmill, Ogilvie II, Ogilvie III, Rider, Taylor, Tremain, Turnbull, and Vaughan. Four boys have Baby Brownies, four have Kodak 620, two have Ensign, one has a Brownie Reflex, one a Carlton, and one an Ansco Pioneer. Ogilvie II and Vaughan have no cameras at school, but are very interested in photography.

The following boys can develop and print: Carter, Hart, Ogilvie II, Ogilvie III, Rider, Tremain, and Vaughan. We wish to thank Mr. McMann for the trouble he has taken in teaching us these things.

E. Tremain

THE WOODS

Owing to the late autumn this year we have had supper in the woods more often than usual in the Michaelmas Term. Mr. Page bought six frying-pans for us, and we have been having fried eggs and bacon to eat in the woods. I am sure we all thank Mr. Page for getting the frying-pans for us.

On several Sundays Mr. Day has very kindly organized a game called the King's Messengers. It is a game where 10 messengers play against 28 other boys and the messengers try to get past them and back to the Prep. If they are touched they are taken to the prison hut. We have been playing this when it got dark too early to have supper in the woods.

D. Vaughan

THE HORSE SHOW

The annual Sherbrooke Horse Show was held this fall, and I am sure the whole school appreciates Mr. Bassett's kindness in treating us to it.

One Sunday afternoon we all got into some buses that were out in front of the school and away we went to Sherbrooke.

BACK VIEW OF THE PREPARATORY SCHOOL

THE PREPARATORY SCHOOL CRICKET TEAM, 1947

Back Row:—J. C. FARTHING, ESQ.; R. T. RILEY; W. W. BADGER; L. A. M. MATHER; D. G. TURNBULL; W. A. PAGE, ESQ.
Front Row:—R. W. BERLYN; R. SETLAKWE; A. M. GOODRIDGE; G. P. PORTER; L. C. R. STEWART-PATTERSON (Captain); P. R. POPHAM;
 D. H. MARTIN; V. M. WHITEHEAD.

The Horse Show itself was very interesting. First, there was a plain walking, trotting, cantering and galloping show. Secondly, there was a jumping test. Here a tractor and two big carts came out and set up hedges and imitation stone walls. Some of the horses got scared of all the people and would not jump even the first hedge. After that there was a little carriage show where little carts of all colours came out and ran all around the ring.

Everyone enjoyed the show and agreed that it was an excellent way to spend a rainy Sunday afternoon.

THE THANKSGIVING WEEK-END

The Thanksgiving week-end this year was a very good one. Most of the parents came up on the Saturday morning in time to see B.C.S. defeat Ashbury in their annual football game. Most of the boys went out for lunch and supper on Saturday, and all the boys whose parents were not up for the week-end were asked out by other boys.

On Sunday morning St. Mark's Chapel was so crowded that some of the Upper boys were unable to attend the

service. The choir sang a lovely anthem, named, Rejoice, the Lord is King.

On Monday there was a football match between the Old Boys and B.C.S., which the school won by a score of 7-6. They had not done this for many years. After lunch in the dining room we all went up to the gym where Mr. Grier and then Brigadier Price, who was the guest of honour, made speeches. Then the prizes were distributed. After the chairs had been moved away there was a tea-dance to which the girls from Compton had been invited.

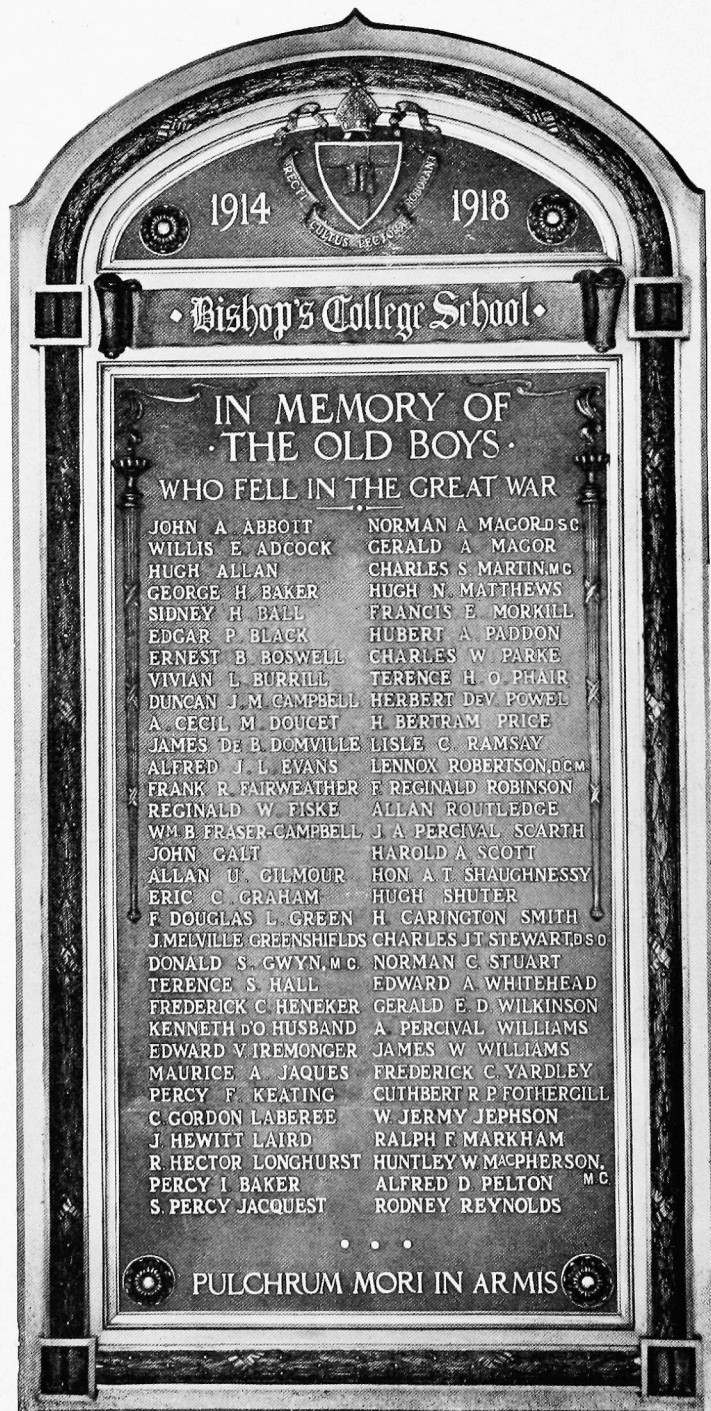

I am sure we all enjoyed the Thanksgiving week-end very much.

J. Ogilvie, D. Bryson

RADIO PROGRAMMES

As in previous years Remove Dorm has been allowed to listen in to the second period of the N.H.L. hockey games every Saturday night in the Common Room. Hart has been kind enough to lend us his radio, and Chapman has put up an aerial.

The 111th year of the School opened with over 170 boys enrolled. Bill Doheny left the staff in June to form the Reprint Society of Canada, 1040, Bleury St., Montreal. His place has been taken by Bill Price whom we welcome most heartily. Besides coaching the rugby team and taking duties, Bill is also taking courses at the College. Stocky Day, who received his B.Sc. degree from Bishop's in June last, has joined the Prep staff. Sandy Mills, who received his M.A. degree from McGill at the October

convocation, is giving lectures at Bishop's and also helping out with class work at the School. Mr. C. L. Bryson, Oxford, and lately of the Indian Civil Service, has taken Mr. H. Dalton's place, the latter having left in June. A hearty welcome to the above-mentioned.

Thanksgiving week-end was largely attended—over 600 present, of whom over 100 were Old Boys. Among the latter, the following were noted: W. W. Ogilvie, J. H. Price, R. H. Price, J. G. Ross, J. H. Bassett, H. H. Smith, J. Porteous, T. MacDougall, B. M. Ogilvie, L. M. Smith, A. H. C. Smith, G. M. Stearns, J. S. Taylor, G. V. Whitehead, A. H. Sewell, H. S. Thornhill, R. M. Collier, R. D. Collier, P. Satterthwaite, T. Evans, H. D. Sheppard, D. Williamson, N. Courey, R. Williams, S. Williams, J. Price, K. H. Fricker, A. L. Lemieux, D. Landry, F. W. Morkill, J. Sewell, A. W. Mackenzie, R. B. Christie, A. Hugessen, D. Best, D. Sutherland, J. Goodson, S. Schafran, S. Levitt, L. H. Gault, C. D. Duclos, G. Powis, P. Atkinson, J. O. Davis, T. Hodgson, A. H. Finley, J. Churchill-Smith, W. Molson, G. Seely, R. Pitfield, W. Boswell, D. Creighton, T. Ker, R. W. Smith, M. Wallace, G. P. Stairs, J. Turpin, J. Skelton, A. Reid, J. R. McCurdy, R. H. Taylor, D. Brown, H. B. Glassford, J. Pollard, G. H. Mills, R. T. Carman, R. Howard, M. Magor, V. Bennett, B. Day, G. Arnold, J. Arnold, W. Arnold, L. Clark, G. S. Macdonald, G. H. Macdougall, D. Vass, J. MacDiarmid, D. Stoker, R. Setlakwe, J. Robinson, D. Lewis, F. Anderson, R. R. McMaster, G. H. Day, I. MacLean, W. Norrish, W. Doheny, D. Doheny, H. Doheny, H. A. Hampson, J. Wiggett, G. Durnford, J. Fuller, E. R. Boothroyd, C. L. O. Glass, W. Mitchell, C. Rankin, R. H. Tomlinson,

Glorious sunny weather prevailed the whole week-end. The Chapel was packed for the Sunday morning service. Rev. B. Whitlow, the School chaplain, and formerly with the R.A.F., preached the sermon, choosing as his text, "I Believe in God." The Choir, under Mr. Page, sang excellently and rendered the anthem, "Rejoice, the Lord is King." Sunday afternoon, over 150 people

were present at Colonel and Mrs. Grier's At Home, and Old Boys join parents and friends in their thanks to the Griers for the kind hospitality extended to them. Monday morning, the Old Boys lost to the School rugby team, 7-6, in the annual game. Lunch was served at two sittings to the many guests. At Prize-giving in the afternoon, Major-General C. B. Price, C.B., D.S.O., the guest of honour, gave a very fine address in which he stated that more emphasis must be placed on moral values as exemplified by loyalty, self-respect, discipline and duty. He concluded by stating that the contribution which B.C.S. Old Boys had made to their country fully justified the existence of such schools. The Headmaster, Colonel Grier, in his report listed the excellent results obtained not only in the classroom and at the McGill exams, but also in sports and in the many extra-curricular activities. And while listening to the many successes mentioned, one felt that the values referred to by the guest speaker were not being overlooked at B.C.S. *It was announced that by this time next year the first part of the School's Memorial Building plan would be completed. St. Martin's Chapel, in the basement of the main building, would be used until the Memorial Chapel, the second part of the building plan, was constructed. Colonel W. W. Ogilvie, Chairman of the Board of Directors, introduced the guest speaker who was thanked by Major J. Bassett. Afternoon tea in the Dining Hall and a Tea Dance in the Gym brought the Thanksgiving celebrations to an end.

The O.B.A. Centenary Scholarship has been awarded to R. G. Jekill to whom we offer our best wishes.

T. H. Montgomery is still the secretary of the O.B.A., and annual fees (\$3.00) should be sent to him: P.O. BOX 250, PLACE D'ARMES, MONTREAL, P.Q. The number of those joining the Association is rising all the time. Why not join now, if you have not done so already.

*A special prize, donated by the Headmaster, was presented by Col. Grier to young Bassett in the Prep. The latter is the first son of one of Col. Grier's Old Boys to enter the School.

Again, we offer our thanks to Mrs. Donald Lewis for help in preparing the many envelopes in connection with sending out the Bulletin.

FOOTBALL SONG

When Bishop's College School was formed
In Queen's Victoria's time,
Recti cultus was and has been since
The aim of all who play football
And roborant the mind.
So shout the praise of B.C.S.
Whose future is not hard to guess,
So shout the praise of B.C.S.
Whose future is not hard to guess.

and Rev. B. W. Whitlow replied. Lt. Col. H. C. MacDougall presented the Shirley Russell Cup and the Old Boys' Cup to Gray who received them on behalf of 1st. Team, and the Cleghorn Cup to Bignell. A telegram was read by Gray from Col. W. W. Ogilvie, Chairman of the Board of Directors, who regretted his inability to be present but sent congratulations to members of teams and requested the Headmaster to grant a half-holiday. The School song was sung in Latin, followed by the Football song. The Dinner came to an end with a good rendering of the School Cheer. Seated at the Head Table were Lt. Col. H. C. MacDougall, J. H. Bassett, Jr., W. M. Mitchell, Captains of the various teams, and members of the Staff and their wives.

QUALITY HAS NO SUBSTITUTE

Everything is being done to speed the return of your favorite Dack's Shoes . . . but we are still unable to meet fully the insistent demand.

There is no substitute for quality . . . and we know you would not have us sacrifice the high Dack standards, however pressing the occasion.

Increased production is under way . . . so watch for Dack's Shoes. Like all things worthwhile, they are worth waiting for.
